

Cruising Clubs Offering Reciprocal Visiting Privileges

The Oakville Yacht Squadron has joined with 80 other sailing and boating clubs to offer reciprocal visiting, and where applicable, dining privileges to their members. These agreements are multi year and subject to changes without formal notification as a result of club specific events or health regulations. You are advised to check the web site of the club you wish to visit prior to setting out to confirm availability of spots at the club and so that you can follow the club's reservation policies and procedures.

Of the club's offering reciprocal privileges, 49 are members of The Lake Ontario Cruising Club Association covering Lake Ontario and the upper reaches of the St. Lawrence River. Members of this association have granted perpetual mooring and, where applicable dining privileges, to its fellow members. Specific terms vary for each club, but generally include 2 nights free mooring. Please review the web site for the LOCCA (<https://locca.org/reciprocal-repository>) for the current list of participating clubs and their terms.
